FASTRAK HEAVY DUTY BULK SHELVING

Save time and money with this heavy duty bulk storage shelving. Featuring a newly designed heavier duty upright that can be "knocked down" for easier shipment as well as having the advantage of component replacement in case of damage. Ideal for storing bulky and/or heavy items. Choose between wire mesh or particle board decking for shelf surface.

- **Tear Drop Design**
Allows for quick/easy installation.
- **Built-in Safety Clip**
Secures the beam to upright for added safety.
- **Knockdown Upright**
Newly designed heavier duty upright that can be knocked down for easier shipment.

FastRak is unique because it does not require a shelf at the bottom of the unit. Items can be placed directly on the floor.

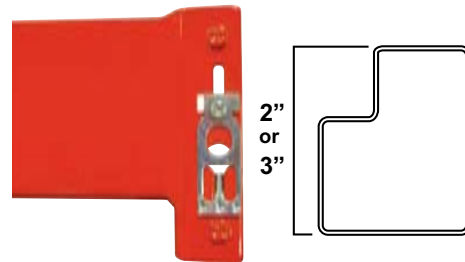

UPRIGHTS

- Heavy duty knock down FastRak design.
- Design allows for easier shipment.
- Uprights allow adjustment of shelf height every 1 1/2".
- 7,000 lb. capacity per upright (based upon 36" maximum shelf spacing).
- Foot plates optional.

Model Number	D x H	Weight
