

THE EQUIPTO ADVANTAGE

Every heavy-duty Equipto modular drawer cabinet is engineered and manufactured with exacting precision for years of rugged use. An optional lock keeps your items safe and secure while allowing for fast retrieval.

FEATURES AND BENEFITS:

- One-piece welded construction
- Drawer capacity of up to 400 lbs.
- Highly-durable, attractive finishes
- Tempered steel drawer bearings
- High strength to weight ratio

ADVANTAGES:

- Store more contents in one cabinet than major competitors
- High-density storage maximizes cubic space
- Stocking/retrieval of parts and tools is quick and efficient
- Work areas are clean and neatly organized

EQUIPTO LEVELER KIT

THE EQUIPTO ADVANTAGE

Equipto announces a leveling feature for modular cabinets. Developed for applications where floors are uneven, the leveling device provides 5/8" of vertical adjustment with a 15-degree swivel foot offering optimum stability. Rated at 1,500 lbs. of static loading, each leveler can accommodate the most stringent loading requirements.

FEATURES AND BENEFITS:

Quick installation.

Easily adjusts to eliminate the worry of uneven or settling floors.
