GOLD ZONE

The same versatile V-Grip™ design that gives you the flexibility to add wire shelving and lockable cabinets can also be configured so that all your modular drawers are between your shoulders and knees, or in the "GOLD ZONE". Consequently, there's no squatting, stretching or straining to store and retrieve parts and tools.

Drawer shown with an adjustable divider kit.

DRAWERS INCLUDED:
1-3" high, 1-4 1/2" high, 1-6" high & 1-7 1/2" high

drawer depth	drawer width	capacity per drawer	starter cat. no.	add-on cat. no.
